Letter no oc 322 D, 6-3-29 from the Forest Dt Bd Korea forwards for sanction the resolution of the Dt Bd to open an Ayurvedic Dispensary at Vikarabad at a cost of Rs 1460 per annum.

1 G.O no R. 7528-364 B 9-9-41 D 30-12-20 issuing rules for payment of grants to Vaidyasalas etc by Dt Bds, in Chittoor. Under rule 7 a grant not exceeding Rs 25 p.m. may be given ordinarily but the Dt Bd can give more in special cases. In another place the Govt have directed that these institutions should be worked only on grant-in-aid basis & that the Vaidya may be given Rs 30 p.m. to start with & that the grant may be gradually increased to Rs 50 p.m. The Dist Board wants to give a pay of Rs 30-2/1-60 to the Vaidya in this case & the total cost proposed comes up to about Rs 120 per month. As the Vaidyasala is said to be urgently required the proposal may

But the Dist Bd of Kolar wants to have an Ayurvedic dispensary under the control of the Dist authorities. Under Sec 15 (c), Dist Bds may provide for the establishment, management & maintenance of hospitals and dispensaries, which may perhaps include even Ayurvedic dispensaries. Ayurvedic dispensaries being worked entirely by the Bds out of their funds exclusively, in addition to the grants given by Govt Council & Rs Rings & Vaidyas. An institution of the kind proposed at Vidyaranyapura may therefore be permitted perhaps under the control of the Dist Bd.

8 The Ayurvedic and Unani dispensary proposed at Shimoga must have fixed a scale of expenditure. The scale of pay proposed for the staff differs from the scale recommended by Govt. The Dist Bd may perhaps adhere to the sanctioned scale.

9 Midwife should not perhaps form an adjunct to Vaidyasala. It may have to be separately sanctioned.

But as regards the Dr's pay is the est. the pensionable? Apparently the D.M.O's proposals carry that implication. Have we opened any other similar institutions? I should have no objection if the whole is treated as a grant.

If so, the D.P.H. may think of giving a legal practitioner aid or a token allowance for expenditure proposed — or the scheme as drawn up may be sanctioned on a non-pensionable basis, the Midwife being placed under the control of the D.P.H. Officer as proposed by the Surgeon General.

A uniform scale on a non-pensionable basis may perhaps be adopted in such cases. In such an arrangement, should such Vaidyalakas multiply there will be scope for transfer of the staff employed therein from one to another. The scale of pay & charges adopted for the Shivaga Sydyalala seems to be suitable and yet attractive. The average cost will also be less than the scale proposed by the Kolar Dist Bd. The provision for a midwife may be retained as proposed by the President and she will be under the control of the D.M.O.
